A "Beyond BOW" Program  
Sponsored By The Tennessee  
Wildlife Resources Agency

## Beyond BOW Muzzleloader Workshop

November 3-5, 2006

Workshop Fees \$100

(Make checks payable to the Young  
Sportsman Foundation)

If you are a female hunter 18 years or older and are wanting to learn more about hunting deer with a muzzleloader, come spend the weekend with like-minded individuals in Humphreys County.

The farm you will be hunting incorporates a variety of wildlife management practices and totals over 1000 acres of prime private deer habitat. A variety of topics such as deer biology and management, ethics, and Dutch oven cooking will also be covered.

You will be required to have the appropriate license. You will either need a sportsman license or a type 01 and a type 011. If you are a nonresident, you will need either a type 074 or 073. If you were born after January 1, 1969 you will also need to have successfully completed the hunter safety course. Participants will draw from a number of predetermined sites that will have tree stands provided or else you can bring your own.

The cost is only \$100 and all proceeds will go to Hunters for the Hungry. All meals are included and camping is permitted. A list of local hotels will be included with the registration packet.
